

Welcome to 7th Grade Math!

Dear Students, Parents & Guardians,

Get ready for a math-magical year in Mrs. Sidoti and Mr. Johnson's math class! This page contains all of the basic information you need to know about your 7th grade math class. For a more detailed look at our class policies, please visit Mrs. Sidoti's website (address below). Students and parents/guardians are expected to read this page as well as my website and understand **all** policies and expectations. In order for us to be on the same page, it is important that students know and consistently meet the expectations set for this class.

On the attached page, please sign on the provided lines (both student **and** parent/guardian must sign). This indicates that you have read and understood the information on this page as well as on the website. Make sure to take the time to read all items together prior to signing. In addition, please fill out the parent/guardian contact information section.

If you have any further questions, please do not hesitate to reach out to us! We are looking forward to a wonderful school year and hope you are as well!

-Mrs. Sidoti & Mr. Johnson

Grading Scale

90-100 (A)
80-89 (B)
70-79 (C)
60-69 (D)
Below 59 (F)

Grading Breakdown

10% Homework and Skills
40% Minor Grades
50% Major Grades

Required Materials

-Agenda
-Student workbook
-4 Folders (1 per quarter)
-Lined paper
-At least 3 pencils with erasers

Apex Friendship Work Policy

(for **unexcused late work** only)

Late work is defined as any work that was not turned in during the class period on the day it was due.

Assignments submitted late will receive an 11% deduction, leaving students with the maximum potential grade of 89%.

Any work not submitted within two weeks of the original due date will remain a zero with no further opportunity to regain credit.

(for **absent work** only)

If a student is absent, **it is the responsibility of the student** to obtain and complete any missed assignment(s)-WCPSS policy is followed. If absent up to 3 days, the student has **one day** for each day absent to make up his/her work. If a student is absent for **more than 3 days**, they have 2 days for every day they were out to make up their work. No penalty for make-up work completed in the time frame stated above.

(for **grade recovery** only)

Students who earn a 69% or below have the opportunity to complete test corrections during Smart Block. The student must complete the corrections at school within 3 days of the assessment being returned. The maximum score a student can receive for the corrections is 70%.

Units of Study

Unit 1: Scale Drawings
Unit 2: Introducing Proportional Reasoning
Unit 3: Measuring Circles
Unit 4: Proportional Relationships and Percentages
Unit 5: Rational Number Arithmetic
Unit 6: Expressions, Equations and Inequalities
Unit 7: Angles, Triangles and Prisms
Unit 8: Probability and Sampling
Unit 9: Putting It All Together

Remind App & Website

Throughout the year, we will be using an app called Remind to communicate with parents/guardians and students. Please text your class code to 81010 to sign up.

Core 1: @sidoti1
Core 2: @sidoti2

Core 3: @sidoti3
Core 4: @sidoti4

Additionally, Mrs. Sidoti's website is the **best** way to stay up to date with **everything** going on in class. Please make sure to visit:
www.mrssidotimath.weebly.com.
